

# Clamps, Grease & Removal Tools.

## Oetiker Stainless Steel Adjustable Clamps

These U.S. Made Oetiker clamps are a great asset to axle Rebuilders. Less part numbers are needed to cover all axle variations than with the Stepless clamps.

Kotek #	Oetiker #	Range (mm.) Closed-Open	Range (In.) Close-Open
C-30.0	706-030	23.6-30.0	0.929-1.181
